Privilege Request Form – Gastroenterology/Endoscopy

SECTION I – GENERAL REQUIREMENTS GASTROENTEROLOGY/ENDOSCOPY

Basic Education: MD or DO

INITIAL APPOINTMENT

Minimal formal training and experience:

- Successful completion of an ACGME–accredited Internal Medicine residency or fellowship training program or an AOA-approved training program in Gastroenterology.
- The number of cases performed in the last 12 months for each procedure requested along with the documentation of proficiency must be sufficient to validate competence. An applicant who has just completed a residency shall provide his/her residency log. Additional documentation and monitoring may be required at the discretion of the Medical Director or the Chief of Staff. Some procedures may require additional documentation of training and experience which is acceptable to the Medical Director such as Proctoring Reports, Operative Reports and Discharge Summaries for other institutions, written communication of documents from the Chairperson of the designee of an approved academic training program, approved continuing medical education course, or clinical department from another institution attesting to completion of a specified course of training, and/or the number of the specified successful procedures performed, and/or the applicants known ability to perform a specific procedure for which the applicant has previously been formally trained to carry out in an approved program.
- Member in good standing of an accredited acute care hospital and/or ambulatory surgery center, with the same or similar unrestricted privileges.
- Interview by the Medical Director and/or Chief of Staff when requested.
