Privilege Request Form – Anatomic and Clinical Pathology

SECTION I – GENERAL REQUIREMENTS ANATOMIC AND CLINICAL PATHOLOGY

Requested Staff Category

_____ Active

_____ Courtesy

_____ Consulting

Basic Education: MD or DO

INITIAL APPOINTMENT

Minimal formal training and experience:

- Successful completion of an ACGME–accredited residency in anatomic and clinical pathology or fellowship training program or an AOA-approved training program in anatomical and clinical pathology.
- The number of cases performed in the last 12 months for each procedure requested along with the documentation of proficiency must be sufficient to validate competence. An applicant who has just completed a residency shall provide his/her residency log. Additional documentation and monitoring may be required at the discretion of the Medical Director or the Chief of Staff. Some procedures may require additional documentation of training and experience which is acceptable to the Medical Director such as Proctoring Reports, Operative Reports and Discharge Summaries for other institutions, written communication of documents from the Chairperson of the designee of an approved academic training program, approved continuing medical education course, or clinical department from another institution attesting to completion of a specified course of training, and/or the number of the specified successful procedures performed, and/or the applicants known ability to perform a specific procedure for which the applicant has previously been formally trained to carry out in an approved program.
- Member in good standing of an accredited acute care hospital and/or ambulatory surgery center, with the same or similar unrestricted privileges.
- Evidence of Board Eligible or Board Certified by the American Board of Pathology, or American Osteopathic Board of Pathology is preferred.

SECTION III - ACKNOWLEDGE OF PRACTITIONER:

I have requested only those specific privileges for which by education, training, current experience and demonstrated performance I am qualified to perform and for which I wish to exercise at the Hospital. I hereby attest that the references, reports, records and information are available that verify my qualifications and competency to practice as requested.

I understand that:

1. In exercising any clinical privileges granted, I am constrained by any hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.
2. Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such situation my actions are governed by the applicable section of the Medical Staff Bylaws.
3. The use of any other new, untried, or unproven procedure/treatment modality/instrumentation maybe performed or used, only after the regular credentialing process has been completed and the privilege to perform or use said procedure/treatment modality/instrumentation has been granted to the individual practitioner
